Willowmead My Honey - is a blue with a lovely head and expression, good body and legs, her back was of nice length, in splendid coat, which was of the right texture and she moved extremely well, was my C.C. winner and B.O.B. and I was pleased to learn that this award made her into a champion. 2. Mrs. Hale CH. BROADHOLME ADORABLE 28.6.65. Br. Exh. Ruairidh of Willowmead - Bobby's Girl of Bothkennar - this bitch has phenomenal coat, has a lovely head and expression, and excellent tail carriage, her body handled well and she had good movement, though not quite as free in movement as my winner. 3. Miss Durrant BROADHOLME ANNE MARIE 28.6.65. Br. Mrs. Hale Ruairidh of Willowmead - Bobby's Girl of Bothkennar - this bitch is in whelp but she is a lovely bitch, litter sister to the second, I think, being in whelp made her a little sluggish in action, but that is understandable.

some more body, both entirely due to her age. 3. Mrs. Winwood
ROWDINA BLUE BEARD d. 9.10.70. Br. Mr. Mrs. and Mr. Stopforth
Davealex Blue Blazes - Rowdina Peach-a-Boo - this dog was the
real baby in this class but full of quality. I liked his
flat shoulder, good movement and shape. At this age he still
has plenty of time to grow and with his lovely coat should
be a real good one.

1. Mrs. Culshaw OSMART BLACK PIRATE 4.6.70. Br. Mrs. and
Mrs. Osborne Broadholme Buccaneer - Ch. Osmart Bonnie Black

matching his lovely coat, a truly good mover with well
carried tail. I would have liked some more reach of neck
but otherwise a most pleasing and sound animal. 2. Mrs.
Winwood ROWDINA SHAHR ALY 25.5.70. Br. Miss Holmes Ch.
Bracken Boy of Bothkennar - Broadholme Christina - very
similar in type and shape to the winner, scored in overall
balance and movement which was steady and flowing, yet some-
how did not make the best of his many attributes today.

Ch. Osmart Bonnie Blue Braid - Milltop Morning Dew - young
light grey of good size, level back, correct shoulder and

stamp of quality and we should hear more of them in the
future.

SUNBREES MAGIC MOMENTS OF WILLOWMEAD - in these two dogs, I found two first class animals. One has to go over them to appreciate their superb conformation desired in a working dog and I would like to add that these two should be taken as a guide for breeders who are never quite sure of how to interpret the standard. There was little to choose between them, both looked entirely masculine with lean strong bodies, broad heads, strong muzzles, good reach of necks and very well placed shoulders. Both had level backs and excellent quarters. Their coats were of the right length and texture. Both dogs gave a lesson on how a Beardie should move, taking long strides which seemed completely effortless. Ch. Blue Braid carried his tail in a more controlled manner when moving than Magic Moments, this really was the minor deciding factor which made me give the C.C. to Blue Braid. 3. Miss Moorhouse BRAELYN BROADHOLME CROFTER 31.5.67. Br. Mrs. Hale Ruairidh of Willowmead - Bobby's Girl of Bothkennar - well boned masculine grey, very pleasing broad head without any coarseness, good length of back and depth of rib cage, well carried tail when moving.

of the most promising youngsters here today. 2. Mr. Mrs. and Mr. Stopforth DAVEALEX GEORGEIOUS GUSSIE 31.3.70. Br. Exh. Marilanz Amber Gleam - Ch. Cala Sona Westernisles Loch Aber - very aptly named, this brown bitch had the same instant appeal, the sweetest of faces, beautiful flat skull and again that excellent overall balance from head to tail. Her lovely free movement completed the picture of another promising youngster, alas she too was short of coat today. 3. Mrs. Evans BRAMBLEDALE BARBERRY 8.11.69. Br. Miss Evans Ch. Osmart Bonnie Blue Braid - Brambledale Heathermead Moonlight. - blue of a larger pattern which did not in the least make her look less feminine. Lovely head and expression, good reach of neck, flowing into a strong level back and sound movement. Made up a trio of promising youngsters I liked very much.

C.C. winner were also very close rivals and very little separated these two. As my dogs looked masculine, these two appeared utterly feminine. Juno, a beautifully presented young light grey has, underneath a most magnificent coat, a well boned and excellently constructed body, beautiful head, neck and shoulders and strong level back, sound movement front and back. Her soundness coupled with her irresistible glamour won her her second C.C. Misty Hollow a truly lovely blue with matching eyes, carrying a superb coat of good texture and length, has all the essentials of the above. I was enchanted by her lovely serene expression so becoming in a mature bitch and I felt it was tough on her meeting the younger bitch who just seemed to hold the stage. 2. Miss Gilpins CH. WISHANGER WATERFALL 23.4.68. Br. Mrs. Broadbridge Wil'of Wisp of Willowmead - Wishanger River Shirburn. beautiful grey well deserving her title. Georgeous well carried head, lovely reach of neck and shoulder, level back and splendid movement. Today, however, her tail was well tucked in which made her look a little worried or even unhappy. 3. Br. Exh. Miss Moorhouse WISHANGER WHIMSICAL OF WILLOWMEAD 19.7.69. Br. Miss Partridge Braelyn Broadholme Crofter - Ch. Mr. Diamond WISHANGER CAIRN GARROCH 12.1.68. Br. Miss Partridge Ch. Wishanger Cairnbhan - Ch. Wishanger Winter Harvest - I felt under the too profuse coat and found a well constructed beautifully muscled dog, sound back action and lively true movement when viewed from the side; powerful quarters; one of the few really dark brown dogs with eyes to match.

CRUFTS - 4th February, 1972. Judge - Miss M. Osborne

Special Junior Dog or Bitch - 5 entries

1. Mrs. J.A. James CHARNCROFT CASSANDRA b. 16.1.71. Br. Exh. Wishanger Whimsical of Willowmead - Charncroft Chit Chat - a most charming young bitch in the hardest possible condition, excels in coat body and topline, excellent shoulder angulation. 2. Mr. and Mrs. Iremonger MARKSMAN OF SUNBREE d. 12.2.71. Br. Mrs. Prestidge Sunbrees Magic Moments of Willowmead - Sallen Queenie - good dog of rather different type, up to size good body, coat and really good shoulder, moved extremely well, slightly proud of his tail. 3. Mr. J. Stanbridge BENEDICT MORNING MIST d. 6.10.70. Br. Mr. C.A. Barker Ch. Osmart Bonnie Blue Braid - Glendonald Gladsome - one of yet a third type, good body and condition but just a shade "bobtail" in type.

Novice Dog or Bitch - 7 entries

1. CHARNCROFT CASSANDRA 2. Mrs. Collis BEAGOLD BUFFER d. 1.10.69. Br. Exh. Ch. Osmart Bonnie Blue Braid - Beagold Beauty - excels in type, well constructed and moved extremely well thanks to an excellent shoulder, unfortunately today his eyes were blood shot and this detracted from an otherwise kind expression. 3. Mrs. Walker-Smith JESSAMINE OF TAMBORA b. 4.3.70. Br. Miss J. Vroome Ch. Osmart Bonnie Blue Braid - Ch. Edelweiss of Tambora - pretty bitch, good coat, nice body and outline but a bit gay in tail.

Graduate Dog - 8 entries

1. Miss Holmes EDENBOROUGH BLUE BRACKEN 1.1.70 Br. Exh. Rowdina Grey Fella - Blue Maggie from Osmart - glorious neck and shoulder carries himself proudly, lovely topline, good coat, beautiful mover. 2. Mrs. Mulvaney SEANCA OSMART BLACK GOLD 10.1.69. Brs. Mr. and Mrs. Osborne Ch. Bravo of Bothkennar - Bluebelle of Bothkennar - this dark grey dog is another beauty, lovely topline, good head, a most striking and appealing picture. 3. Mrs. Palmer BROADHOLME DANNY BOY 6.8.69. Br. Mrs. Hale Ch. Bravo of Bothkennar - Ch. Broadholme Adorable - a third good dog with almost all the same assets as the second but I found him just a little less mature.

Limit Dog - 8 entries

1. Mr. Pearson DAVEALEX ROYLE BRIGADIER 31.3.70. Br. Mr. Mrs. and Mr. Stopforth Marilanz Amber Gleam - Ch. Cala Sona Westernisles Loch Aber - had a hard fight to gain this red card, he is a truly lovely dog but so is EDENBOROUGH BLUE BRACKEN. My decision here was made on the fact that though Brigadier is slightly younger than Bracken he is just a wee bit more mature and I was clutching at straws to find away to split these two. 3. Mr. Mrs. and Mr. Stopforth MARILANZ AMBER GLEAM 3.12.67. Br. Miss Durrant Ch. Wishanger Cairnbhan - Broadholme Anne Marie - sire of the winner of this class, not in the same condition another very typey dog but proud of his tail.

Open Dog - 9 entries

1. C.C. and B.O.B. Miss C. Osborne CH. OSMART BONNIE BLUE BRAID 1.12.65. Brs. Mr. and Mrs. Osborne Ch. Bravo of Bothkennar - Ch. Blue Bonnie of Bothkennar - still fills my eye as a dog which just about brings the standard to life, what more can one say. 2. Res. and B.O.S. DAVEALEX ROYLE BRIGADIER 3. Mr. and

Mrs. Iremonger SUNDBREES MAGIC MOMENTS OF WILLOWMEAD 19.8.69.
Dr. Miss Moorhouse Yager Aplomb at Osmart - Ch. Broadholme
Cindy Sue of Willowmead - close up lovely head, good neck and
shoulders, moves really well, to be third here was far from
a dishonour.

Graduate Bitch - 6 entries

1. Mr. and Mrs. Osborne CYNPEGS HOLLYBERRY 26.12.69. Br.
Miss Harper Ch. Osmart Bonnie Blue Braid - Cynpegs Glendonald
Gadabout - a real problem child this for she was a skinny as
a pin but has possibly best sheepdog outlook of them all, so
despite her condition which I trust will improve, she so
filled the eye that she had to have the red card. 2. Mr.
and Mrs. Boorer YAGER BARLEY SUGAR 14.4.70. Br. Exh. Ch.
Bravo of Bothkennar - Yager Yealand Christabel - good head,
lovely coat and condition and another most typical beardie,
but not quite as positive in action as Hollyberry. 3. Mrs.
M. Mathieson BRAMBLEDALE BRACKEN 21.3.69. Br. Miss L. Evans
Ch. Heathermead Handsome - Brambledale Heathermead Moonlight -
well balanced good body and coat, moves extremely well, she
carries her tail too much to one side.

Limit Bitch - 6 entries

1. Miss Reader BROADHOLME CAROUSEL 31.5.67. Br. Mrs. Hale
Ruairidh of Willowmead - Bobby's Girl of Bothkennar - good
coat and action but I found her a little masculine in outlook.
2. Mrs. Teasdale TONSARNE TATTLER 13.5.69. Br. Exh. Draelyn
Broadholme Crofter - Westernisles Sunset - another pleasing
bitch good topline, moved well. 3. Mr. Clark MORAG TAGG
17.6.68. Br. Mr. Taggart Brough of Bothkennar - Brown Sugar
of Bothkennar - good bitch indeed but not quite as positive
in action as the other two however could have had the red card
had it not been for her tail, she carries this to the right.
I know it is not a serious fault but it goes so far over that
it spoils the whole outline of her rear end.

Open Bitch - 9 entries

What a glorious class. Seven champions and the other two
with either one or two C.C.'s to their credit 1. and C.C.
Mr. Brown and Mrs. Warren CH. WISHANGER MISTY HOLLOW 7.6.68.
Dr. Miss Partridge - Wishanger River Humber - Ch. Willowmead
My Honey - bitch of great substance but never for a moment
lacking femininity, excels in movement, lovely coat and body,
a most worthy champion. 2. The Misses Lucas SCAPAFIELD BRIGHT
SPARK 18.8.68. Dr. Miss J. Cooke Ch. Wishanger Cairnban -
Ob. Ch. Scapa and 3. Miss Gilpin CH. WISHANGER WATERFALL
23.4.68. Br. Mrs. Broadbridge Will o Wisp of Willowmead -
Wishanger River Shirburn - little separated these two glorious
bitches, both of wonderful type, both in top condition and
lovely coat, both had lovely heads. It was Spark's slight
advantage in shoulder angulation which gained her second
place and the res. C.C.

1. Mr. and Mrs. Iremonger MARKSMAN OF SUNBREE 12.2.71. Br. Mrs. Prestidge Sunbrees Magic Moments of Willowmead - Sallen Queenie - B.O.B. really super young dog of 14 months dark blue and white coat of excellent texture, excels in shoulders and body shape which were without equal today. Beautifully balanced head, correct amount of stop, kind eyes and well placed ears. His topline could not be bettered and in the run off for the best dog and B.C.B. it was this coupled to his look of sheer quality which carried the day. Must surely be a cert champion. 2. Mrs. James CHARNCROFT CASSANDRA b. 16.1.71. Br. Exh. Wishanger Whimsical of Willowmead - Charncroft Chit Chat - another right out of the top drawer, pale blue and white bitch one month older than 1 but not so far forward. Lovely head, eye and expression, good neck, beautifully moulder croup and low set tail, first class bone, legs and really good feet, well padded and arched. A lesson in presentation and showmanship. Given maturity and a little more verve in hind action and she too can become a champion. 3. Mrs. Jackson MOONLIGHT MILE OF KINTOP b. 31.8.71. Br. Mr. and Mrs. Bressington Braelyn Broadholme Crofter - Harvestmoon of Tambora - completed a trio of juniors the breed can be proud of. Good head, eyes, neck and topline, well forward in body and coat. In profile covers the ground well but needs to strengthen in hocks when viewed from the rear.

1. MOONLIGHT MILE OF KINTOP 2. Miss Hetherington SHELDAWYN AMBER TINT b. 22.12.70. Br. Miss Todd Westernisles Wishanger Rough Grass - Osmart Black Barbra Ann at Sheldawyn - really delightful sandy, very good head and eye, lovely size, well proportioned body. Somewhat unsteady going away, rather bouncing instead of driving and a little too proud of her tail.

3. Miss Moorhouse MARGUERITE OF TAMBORA b. 18.3.71. Br. Mrs. Tidmarsh Ch. Osmart Bonnie Blue Braid - Ch. Edelweiss of Tambora standing is excellent for type though possibly her outline would be improved if she would make more use of her neck. Good length and depth of body, nicely moulded croup, good rear angulations. Did not appear so steady coming towards me as winners.

1. Mrs. Hanlon SCAPAFIELD CASCADE b 8.3.70. Br. Miss J. Cooke Ch. Osmart Bonnie Blue Braid - Ob. Ch. Scapa - really good bitch, excellent head, nice neck and topline, very sound mover but just a little lacking in smoothness and drive when side viewed which was her undoing in the bitch challenge 2. Mr. and Mrs. Osborne CYNPEGGS HOLLYBERRY b. 26.1.269. Br. Miss Harper Ch. Osmart Bonnie Blue Braid - Cynpegs Glendonald Gadabout - very dark bitch lacking a little glamour and perhaps just a little exaggerated in outline. Lovely head, eye and expression, good neck but topline sloping a shade too much for me. Excellent movement front and side viewed, but cowing the right hock a bit from the rear. Appeared out of body condition. 3. Mrs. Darley and Miss Dennis WICHNOR PANDORA b. 12.1.68. Br. Mr. Smale Barbs Phantom of Bothkennar - Penvose Fiona of Willowmead - nice type, good head and expression. To me lacked the scope in body shape of 1 and 2.

What a super trio of top quality dogs to have to chose between. One could almost place them any way and still be happy but after much hair splitting they finished 1. Mrs. Mathieson CH. ROWDINA RUSTLER 17.1.69. Br. Mrs. Winwood Ch. Bracken Boy of Bothkennar - Ch. Wishanger Crabtree - in wonderful coat and condition, such a lovely head, beautifully balanced with perfect stop and eye placement, carrying just the right amount of body and moves so very soundly. In the challenge, I thought the younger dog scored in neck and more freedom in hind action. 2. Mr. and Mrs. Irenonger SUNDBREES MAGIC MOMENTS OF WILLOWMEAD 19.8.69. Br. Miss Moorhouse Yager Aplomb at Osmart - Ch. Broadholme Cindy Sue of Willowmead - must surely gain his crown in the present form. So very like his son the BOB winner but not moving with quite the fluency his construction suggests. I preferred his length to the winners but gave the final nod to Rustler on expression. 3. Miss Moorehouse WISHANGER WHIMSICAL OF WILLOWMEAD 19.7.69. Br. Miss Partridge Braelyn Broadholme Crofter - Ch. Willowmead My Honey - at first glance I thought could be my winner. Classical head, lovely eyes and expression, excellent size and body length to height and finishing with a lovely sweep over the loins. Regrettably he came off worst in movement as, though sound, he was somewhat lacking in the drive of his victors. His construction implies it could only have been his mood. I hope so and will not be surprised to learn if he gains his title.

isles Loch Aber - light blue most promising dog, lovely head,
skull, well balanced foreface, nice reach of neck, straight
forelegs, good length of body, nice topline, could carry a
little more weight, this pegged him back later and when he
fills up in body will trouble the best. 2. MOONLIGHT MILE

Broadholme Crofter - Ch. Willowmead My Honey - beautifully
balanced dog, presented in lovely coat, would like more drive
in hind quarters. 3. JUSTICE OF TAMBORA.

Broadholme Cindy Sue of Willowhead - he is of excellent type, good coat, was one of the few dogs present who showed himself and did not have to be set up, he really looks the part though. Is a little thick across the shoulders. I thought he would be my C.C. winner but on challenging the brown, he seemed to have lost his sparkle and moved sluggishly. Was not disgraced in winning the res. C.C. 2. Mr. and Mrs. Osborne OSMART BRACKEN BROWN 20.3.69. Dr. Exh. Ch. Osmart Bonnie Blue Braid - Osmart Black Eyed Susie - here was another one I really liked, has all that is needed to make him a good bearded. 3. MARGATUS DRUTUS.

Junior Bitch - 13 entries

All the bitch classes were filled with really high quality dogs, many had to go cardless for the simple reason there are only 5 placings. 1. Miss Moorhouse MARGUERITE OF TAMBORA 18.3.71. Dr. Mrs. Tidmarsh Ch. Osmart Bonnie Blue Braid - Ch. Edelweiss of Tambora - an excellent bitch teeming with quality built on the same lines as her illustrious dam, she has good reach of neck, well laid shoulders, correct rib, lovely expression, moved really well, I feel sure she will make the grade. 2. Mr. and Mrs. Osborne MARILYN BLACK PENNY 5.7.71. Dr. Miss Durrant Ch. Osmart Bonnie Blue Braid - Broadholme Anne Marie - a delightful if somewhat wayward young miss, here was another which I feel sure will do well. Good neck, shoulder and rib, coat a little soft as yet. She moved well once she realised that her handler was not playing. 3. Mrs. Pickford OSMART COPPER NECKLACE 10.10.71. Dr. Mr. and Mrs. Osborne Ch. Wishanger Cairnshan - Ch. Osmart Bonnie Black Pearl - delightful brown puppy of true bearded type, still only a baby but will do well.

1. Mrs. Matheson BRAMBLEDALE BRACKEN 21.3.69. Dr. Miss Evans Ch. Dr. and Mrs. Wilson TAMEVALELEY BURLESQUE 1.3.70. Dr. Miss Reader Yealand Conrad - Broadholme Carousel - a real workman-like bitch in hard condition, good textured coat, moved with drive. 3. A lovely class of good bitches headed by 1. Mr. and Mrs. Osborne NIGELLA BLACK TANGO 28.3.69. Dr. Mr. and Mrs. Meyrick Ch. Osmart Bonnie Blue Braid - Dog Rose of Tambora - I had not seen this bitch before but what an excellent animal she is, hard to fault, excels in neck, shoulder, ribs, has just the right amount of coat, particularly about the face, sweet expression, really lovely flowing movement. I was delighted to award her the C.C. which I learnt later was her third, she also won B.O.B. 2. Mrs. Tidmarsh IRISH LACE OF TAMBORA 1.10.69. Dr. Exh. I thought she well matched my dog C.C. winner both typical beardies, nothing bobtail about them. 2. Mrs. Burnett OSMART BLACK MIST 2.4.70. Dr. Mr. and Mrs. Osborne Braclyn Broadholme Crofter - Bluebelie of Bothkennar - blue typical excellent type, presented in good coat, close to Gussie. Gussie just had better boned forelegs. 3. Miss Moorhouse, WISHANGER WHIMSICAL OF WILLOWMEAD 19.7.69. Br. Miss Partridge Braelyn Broadholme Crofter - Ch. 1. Miss Evans BRAMBLEDALE BLACK ROSE 13.4.71. Dr. Exh. Brambledale Balthazar - Brambledale Heathermead Moonlight won on expression and overall balance. This dog caught my eye immediately, the type I most admire and would love to own. He stood out as a typical handsome working type dog, moved with a true steady drive, showing an excellent topline. Masculine first class head, sweet expression with the darkest intelligent eyes. Straightest front and powerful quarters. His black pigmentation was a joy to behold. 2. Miss Evans BRAMBLEDALE BOZ 10.6.72. Br. Mrs. Evans Braelyn Broadholme Crofter - Brambledale Barberry - a handsome well balanced silver grey only just out of puppy and consequently still rather immature. Mr. Mrs. and Mr. Stopforth DAVEALEX I OWN HIM 28.6.71. Br. Exh. That day was obviously an "off" one and he hated me too. He stood and showed better than any other Beardie. He knew he was tops and was determined to make me eat humble pie, which he certainly did. I consider him an outstanding specimen with possibly the best laid shoulder I have ever encountered in any breed. All male in outlook which made him appear big, but he is within the standard and his pride bearing gives this impression at first sight. A real extrovert in character, displayed all the confidence of the breed in his sound action. Well balanced body, good head and expression, good front and feet, nicely made quarters which he used well in action. Therefore won the C.C. in hot competition. 2. Miss Holmes CH. EDENBOROUGH BLUE BRACKEN 1.3.70. Br. Exh. Rowdina Grey Fella - Blue Maggie from Osmart - very impressive dog though lacking the masculine impact of the winner on the day. I had admired him from the ringside where in silhouette he looked delightful, has been taught to stand on a loose lead which he does to perfection but with his eyes tightly closed and a look of boredom overall as much as to say well, here I do with me what you will. He is obviously a great character, beautifully made all through in his body neck and shoulders, correct though not enthusiastic mover on the day. Res. C.C.

Richmond cont'd.

On his day when really showing "the alert and lively temperament", I can understand the record he has achieved. 3. Mrs. Bowens DAVEALEX ROYLE BRIGADIER 31.3.70. Br. Mr. Mrs. and Mr. Stopforth Marilanz Amber Gleam - Ch. Cala Sona Westernisles Loch Aber - what a great pity this very nice dog chose to have a non co-operative day with his handler and refused to give of his best to display his many good points. My notes say "did not put all in or might have won" Bad Luck.

Puppy Bitch - 12 entries

1. Mrs. Collins CHARNCROFT COUNTRY MAID 18.3.73. Br. Mrs. James Ch. Edenborough Blue Bracken - Charncroft Cassandra - very pretty bitch extra good neck and shoulders, sweet head and expression, free mover. 2. Mr. and Mrs. Randall CHARNCROFT COUNTRY LASS 18.3.73. Br. Mrs. James Ch. Edenborough Blue Bracken - Charncroft Cassandra - I see a litter sister to the winner, both by the Res. C.C. winner Blue Bracken, who I see is the sire of several good winners today. This puppy is also most promising with the same delightful head and expression not as fine in shoulder as her sister but a good mover. 3. Mr. and Mrs. Iremonger SOUTHERNISLE PERILLA 14.12.72. Br. Mr. Wells Ch. Sunbrees Magic Moments of Willowmead - Barbatus Aurelia - charming brown, I see a litter sister to the winning dog puppy, also excels in character, very good body and topline. Little proud of her tail at present, which I forgave owing to her youth. Not quite the scope in body of her brother but a nice puppy.

Nov ice Bitch - 17 entries

1. CHARNCROFT COUNTRY MAID 2. SOUTHERNISLE PERILLA 3. Mrs. Pendlebury EDENBOROUGH KARA KARA 29.10.72. Br. Miss Holmes Ch. Edenborough Blue Bracken - Broadholme Christina - another of Blue Bracken's and a vdry nice one too, the same lovely quality and typey head. Not the front of the winners.

Post Graduate Bitch - 12 entries

1. Mrs. Bowens DAVEALEX HIGHLAND ABBE 2.12.71. Br. Mr. Mrs. and Mr. Stopforth Marilanz Amber Gleam - Ch. Cala Sona Westernisles Loch Aber - attractive brown, excelled in free correct action, I liked her general balance, well made deep body, very typical all through, nice head and expression, good coat. 2. Mrs. Walker-Smith BRIARIDGE BLACK ANNABELLE 6.7.72. Br. Exh. Ch. Sunbrees Magic Moments of Willowmead - Jessamine of Tambora - very nice quality one, excellent in neck, shoulders and front, shapely body went well. 3. EDENBOROUGH KARA KARA.

Limit Bitch - 10 entries

1. Miss Barkers BEAGOLD ROBERTA 13.4.72. Br. Mrs. Collis Ch. Rowdina Rustler - Wishanger Bridge of Gairn - won entirely on her own merits and in no way helped by her handler whose main concern seemed to be in controlling her own straying locks of hair which kept getting in her eyes! In doing so she kept checking her bitches lovely free action and had it not been that this bitch was so outstanding in every way, she would not have won. Full quality and the real beardie type, sweet head and expression, neck merges in beautifully placed shoulders, body shapely and deep with sound hindquarters. Once her handler forgot about herself and talked to her when moving, she responded perfectly, lifting her head and looking up in a happy way and so won the C.C. and B.O.B. Alas, she forgot all about the bitch in the group and once more concentrated on her own hair! This was a great loss to the breed as the group judge specially came and told me how much he liked her and that she would have been called in on the short list for consideration. I hope her handler will not be upset by these comments, they are meant in the kindest possible way with every hope for her future success with a lovely bitch. 2. Mrs. Walker-Smith JESSAMINE OF TAMBORA 4.3.70. Br. Mrs. Tidmarsh Ch. Osmart

Richmond cont'd.

Bonnie Blue Braid - Ch. Edelweiss of Tambora - excels in body, good quarters not as pleasing in expression as the winner but a very typical one. 3. Miss Diamond ANDRAKE BLACK DIAMOND 8.3.72. Br. Mr. Drake Davealex Royle Brigadier - Osmart Black Beth - lovely quality one, delightful head and expression, good body, now to happy in action which spoilt her chances.

Open Bitch - 9 entries

1. Mr. Drake CH. ANDRAKE PERSEPHONE 9.3.72. Br. Exh. Davealex Royle Brigadier - Osmart Black Beth - most perfectly presented in a full coat, certainly an eye catcher and difficult to pass over, rather different in type to my eventual ticket winner from the limit class but a worthy Ch. and won Res. C.C. 2. Mr. Brown and Mrs. Warren CH. WISHANGER MISTY HOLLOW 7.6.68. Br. Miss Partridge Wishanger River Humber - Ch. Willowmead My Honey - to me this was the real Beardie type, charming head and expression, well made body with a level topline, neck merges well into her well placed shoulders, though short of coat, she looked the part and I thought would be my winner but alas she would persist in plaiting in the front and was none too clever behind but even so, well deserved her placing on her quality and type. 3. Mrs. Teasdale TONSARNE TATTLER 13.5.69. Br. Exh. Braelyn Broadholme Crofter - Westernisles Sunset - nicely made quality bitch who also spoilt her chances with her action.

SPECIAL JUNIOR dog or bitch - 12 entries

1. Miss Shaw DINAH OF STANSHAW - light grey excellent type nice size, well boned shapely outline, intelligent expression, scored in coat condition and movement. 2. Miss Holmes EDENBOROUGH GREY SHADOW - home bred by B.O.B. rich grey/white, well off for size and substance, has a lot of quality, shaped head, typey throughout and sound. 3. Mr. and Mrs. Welch RITA OF ROKELAND - most attractive in top form in rich dark grey & white, lovely headpiece, sound apprehensive but well earned place in this strong class.

Special Yearling bitch - 7 entries

1. Mr. Hinton BROADHOLME ELIZA - product of champions, looks it, captivating head and expression, nice strong neck, well shoulders, firm front, has just that bit of height at withers give the extra pleasing outline. Sound typical double coat. In maturity this one will be hard to pass. 2. Miss Kimber DAVEALEX MYSTIC BLUE - appealed to me greatly, being full of quality and so typical, however she was apprehensive not at shy though as I penalise nervousness there was a lot of noise going on at the time. Mystic has a good future. 3. Mr. and Mrs. Randall CHARNCROFT COUNTRY LASS - is of a different pattern but none the less typey, nice head, good outline with shapely loins, her brother Crusader won special yearling. Will look better when her new coat comes.

Post Graduate Bitch - 14 entries

1. Miss Evans BRAMBLEDALE BLACK ROSE - excels in type right size, well boned, good feet in good hard condition, well balanced but not the excessive hair about the headpiece, full on chest a free mover but went a shade close in hocks. Top class. 2. Miss Moorhouse WILLOWMEAD SUPER HONEY - champion bred by owner, has the ability to carry on the good work this famous strain has done in the past, 2 1/2 years so will soon be at her best, not too sure of herself. 3. Mrs. McCredie RYJO KNOLE OF BRETTBURN - looks a real shepherd dog nice easy loping movement, covers a lot of ground, excellent outline, correct double coat, intelligent headpiece, attractive dark grey colour.

Limit Bitch - 11 entries

1. Mrs. Young WICHNOR WILD CHERRY OF MILLTOP - I am not sure about her breeding or age but there is no denying her outstanding beauty and true ness to type. lovely outline and such a good mover. I discovered her owner/Handler had been in the breed some years and this is her first Challenge Certificate, the moral is keep trying. 2. Mrs. Walker-Smith JESSA MINE OF TAMBORA - 4 years of superb champion breeding, has the ability to reach the top also. lovely head and nice ways, rich dark siper coat, needs to use herself better on the move. 3. RYJO KNOLE OF BRETTBURN.

Open Bitch - 11 entries

1. WICHNOR WILD CHERRY OF MILLTOP. 2. Mr. Drake CH. ANDRA PERSEPHONE - is super, so ably handled and faultlessly presented. In comparison, I preferred the forehead of Wild Cherry. Only 2 years old and home bred it is safe to say Persephone will collect more and more certificates for her owner/breeder. 3. Mr. B. and Mrs. Warren CH. WISHANGER MISTY HOLLOW - looked the part beautifully presented sound rich dark grey/white, great head, eye and expression, would like just a shade more height at withers carries the title worthily.

1. Mr. Mrs. and Mr. Stopforth DAVEALEX I OWN HIM - home bred, 2½ years sire of Legal Aide and so fulfils the impression he gives of having some good to give the breed, nice steel-grey and white coat that feels right, intelligent head with pleasing eye and well set ears, profuse beard, sound. 2. Mrs. Barnett ROSSBOURNE CYNPEGGS HOBBO - 4 years, dark grey and white in beautiful coat and condition, ideal type, right for size, well furnished body with long well feathered tail, scored head and outlook, just lost a little in movement as he turns hind toes in a bit. Lots to like about Hobbo. 3. Mrs. Pickford OSMART BLACK BARNACLE FROM PENHALLOW - is of a rich dark colour with beautiful head and hazel eye, shapely hing leg, flowing tail, little bit short of coat just now, when in full bloom this captivating beardie will take some passing.

Open Dog - 12 entries

1. Miss Holmes CH. EDENBOROUGH BLUE BRACKEN - is now at his best, a born showman, faultless mover, a truly impressive beardie. Later on I watched from the stands his great performance in the group and it was good to hear the applause and comments from the vast audience. Blue Bracken is a great ambassador for the breed. 2. Miss Evans BRAMBLEDALE BALTHAZAR - upheld the prestige of the South England breeders, good size, extremely well built, lovely outline, having a sweep of hing leg to finish well carried tail, captivating head and expression, good value for the title. 3. Mrs. James CHARNCROFT CASSANDRA 16.1.71. Br. Exh. Wishanger Whimsical of Willowmead - Charncroft Chit Chat - close decision, has a lovely head, shoulders and front, good body and coat, sound quarters, not just as good as the winner on the move, although she moved soundly. 3. Junior Dog - 6 entries

1. Miss Holmes EDENBOROUGH REPLICA 14.2.73. Br. Exh. Ch. Edenborough Blue Bracken - Davealex Dawn Reign - this fourteen months dog is lovely quality and typey, an extremely good quartered dog and really well made throughout, if anything only needs to tighten slightly in front, somewhat on the thin side both in body and coat but time could well rectify this, well balanced overall and he goes extremely well. 2. Mrs. Corderoy BLACK MAGIC OF WILLOWMEAD 24.5.73. Br. Miss Moorhouse Edenborough Soaring High - Breckdale Pretty Maid - extremely well grown and forward youngster of 12 months, rather more heavily built than the winner and I don't think I would want him to carry any more weight. He is another of lovely quality and in some ways I preferred him to the winner, an excessively masculine exhibit, good quality coat and strong firm topline. I felt that the winner had it in strength of quarters and was that bit more positive on the move. I do not think he wants to get any stronger in skull, was giving quite a bit of age away here but if he finishes as his promise indicates could well be in the top flight. 3. Mr. Weston BARBATUS THEODOSIUS 9.10.73. Br. Mrs. Spratley Davealex I Own Him - Westernisles Shimmer of Barbatus - 7 months and looked it by comparison with the more finished ones above him, he is promising and he was most controlled and he moved really well with a good length of stride, true front and clean firm bone, nicely let down behind with a low hock, has the promise of a good coat and he was well shown and handled. Another that I hope that does not get any stronger in skull.

1. Miss Holmes EDENBOROUGH GREY SHADOW 29.10.72. Br. Exh. Ch. Edenborough Blue Bracken - Broadholme Christina - one of extreme quality and really well balanced, not a big one but extremely well

LEEDS cont'd.

made throughout. If anything I would like him just a shade more masculine, but that is not to say he is feminine, an excellent rib cage and strong loin. Particularly pleasing in profile movement, he just flowed over the ground, and for me a good winner. 2. Miss Carroll EDWARD BLACK FROM OSMART 9.3.72. Br. Mrs. Hale Ch. Osmart Bonnie Blue Braid - Ch. Broadholme Bonnie Jean - a beautifully bred 2 year old, attractive head type with a pleasing neck but not quite the overall balance of the winner, being a rather shorter more compact dog, lovely coat and bloom and whilst he was true both ways, I would like a little more reach in front movement and here the winner scored with his rather better shoulder, a very happy dog and a little proud of his tail at times. 3. Mrs. Hutchinson BEAGOLD RAMBLER 13.4.72. Br. Mrs. Collis Ch. Rowdina Rustler - Wishanger Bridge of Gairn - a lovely headed one with charming expression and outlook, clean skulled and correct relationship between skull and foreface, a well made one, true fronted and a rib cage which is carried well back and he has a firm loin. Not in the best of coats, I thought, and he looked a little on the leggy side in consequence, looks to be a late maturer and even at two is really nowhere near his best, a little unsettled on the move, he never seemed to get into his stride.

Limit Dog - 12 entries

1. Mrs. Pickford OSMART BLACK BARNACLE FROM PENHALLOW 12.1.71. Br. Mr. and Mrs. Osborne Int. Ch. Osmart Black Berry - Prunella of Jupitersoak C.C. and B.O.B. a most beautifully sound free moving dog who strode around the ring with great length of stride and the more I looked at him the more I liked him, constructionally he is good without any exaggeration. Charming head and outlook, somewhat between coats but this only highlighted his excellent balance, for perfection, I would like a slightly harsher coat but this seems to be something peculiar to blacks as a whole. He held his outline at all times and he looked really well in the Group where he was in the final selection. I gather this is his second, he should easily complete his title. 2. Mrs. Anderson DAVEALE LARKY MCORRY AT LINCHAE 31.3.70. Br. Mr. Mrs. and Mr. Stopforth Marilanz Amber Gleam - Ch. Cala Sona Westernisles Loch Aber - another well balanced one and similar to the winner in general outline, beautifully firm in topline and well bodied, not quite the finish over the croup or quite the quarters of the winner but the winner was exceptional here. Another charming head and expression and he was in better coat than the winner, pleasing in profile movement but could not match the freedom of the winner's length of stride. 3. EDWARD BLACK FROM OSMART.

Open Dog - 13 entries

1. Miss Evans BRAMBLEDALE BALTHAZAR 31.1.69. Br. Exh. Ch. Osmart Bonnie Blue Braid - Brambledale Heathermead Bonlight - Res. C.C. 4 year old slate, most masculine and beautifully made, he really excels in forehead, good double coat and a strong sound moving one, I understand he has been recently made up and he is a worthy champion. In the challenge I felt the final winner had a slight edge on balance and was that bit more collected in movement. Balthazar seemed that bit more unsettled and did not flow like Barnacle. 2. Mr. and Mrs. Bowens DAVEALEX ROYLE BRIGADIER 31.3.70. Br. Mr. Mrs. and Mr. Stopforth Marilanz Amber Gleam - Ch. Cala Sona Westernisles Loch Aber - a sandy dog of really lovely quality, strong firm topline and really well bodied with correct rib cage and a good brisket, not quite the immaculate shoulder of the winner and just a shade restricted in front movement, overall he is a dog of balance, quality and lovely type. I feel he could take a title. Interesting to note that he is out of a bitch I always liked. 3. Mrs. Collis DAVEALEX ROYLE BARON 31.3.70. Br. Mr. Mrs. and Mr. Stopforth Marilanz Amber Gleam - Ch. Cala Sona Westernisles Loch Aber - a litter brother to the one above and slightly more lightly made throughout, an active sort and perhaps this exuberance militates against him, a firm strong topline and in good coat, pleasing head type with good expression and outlook has overall balance but lacks quite the strength or drive in movement of the winner. This was a strong class with some good ones

Junior Bitch - 15 entries

1. Mr. and Mrs. Randall CHARNCROFT COUNTRY LASS 18.3.73. Br. Mrs. James Ch. Edenborough Blue Bracken - Charncroft Cassandra - extrem promising 14 months slate, has plenty of scope and she moved beautiful I thought her very well balanced and I imagine will be a force to be reckoned with very shortly. Charming head and outlook, firm strong topline, forward in brisket, well presented and shown and could well be a champion in embryo. 2. Miss Evans BRAMBLEDALE BATHSHEBA 27.1. Br. Exh. Brambledale Balthazar - Brambledale Briar Rose - another slate much the same age as the winner but not quite as forward all through, slightly plainer in head and outlook, and not quite as str in pastern as the winner. Interesting to note she is by the Open d winner and she has taken a lot of his quality, two of overall simil type, not quite as collected moving but she is true enough and they both have good length of stride. 3. Miss Moorhouse BLACK VELVET O WILLOWMEAD 24.5.73. Br. Exh. Edenborough Soaring High - Breckdale Pretty Maid - Looking around this lovely class before I examined th I thought that she could well have been my winner, a most lovely quality bitch, just 12 months and remarkably forward, she was in really lovely coat and presented quite immaculately, rather differe in type to the ones at ve and for me she lacked a little of the sco nevertheless she is balanced and sound. Moving she did not seem to let herself go and had a tendency to short step behing which was ma even more obvious with the strong forceful action of the winners. did not appear at all that happy and I am sure that relaxed and hap she will do a tremendous amount of winning.

Novice Bitch - 13 entries

1. BRAMBLEDALE BATHSHEBA 2. Mrs. Springthorpe DEANFIELD SEA QUES 25.11.72. Br. Exh. Davealex I Own Him - Breckdale Pretty Maid - 15 months rather lightly made one and rather between coats, she has an attractive had and expression and is balanced between skull and for face, clean fronted and neat bone and she moved reasonably well, no quite as firm in topline and perhaps lacking a shade in brisket as yet but promising. 3. Mr. and Mrs. Wolsey CREAGMOHR WOODMIST 9.4. Br. Exh. Davealex I Own Him - Davealex Royle Sherry - 13 months an needing quite a lot of time I thought moving she was rather close behind and I feel t+t she could have a shade more thrust, overall she is balanced, just rather stronger in skull than the above, a shade restricted in front movement and not quite as easy on the eye in profile movement. Well presented and has the promise of a corre coat of good texture.

Post Graduate Bitch - 12 entries

1. CHARNCROFT COUNTRY LASS 2. Mrs. Walker-Smith BRIARIDGE BLACK ANNABELLE 6.7.72. Br. Exh. Ch. Sunbrees Magic Moments of Willowmea Jessamine of Tambora - two year old just approaching maturity, anot very good bodied bitch and she has the necessary length without wea ness or lack of strength in topline, she excels in forehand has a charming head, eye and expression and standing she looked very well moving she was a shade close and again another who tended to short step behing, again highlighted by the winner whose tail carriage I also preferred but typical and charming type. 3. Miss Reader TAMEVALLEY COLUMBINE 8.8.72. Br. Exh. Marksman of Sunbree - Broadho Carousel - fractionally larger all round and in good coat of good texture. Pleases in head and has a reasonable shoulder, not quite the strength of topline of those above and not holding her outline quite so well on the move, but she is balanced overall, another who moved extremely closely behind, again good breed type still needs t come to her best.

Limit Bitch - 11 entries

1. Mr. and Mrs. Osborne OSMART BLACK POLLYANNA 4.6.70. Br. Exh. Broadholme Buckaneer - Ch. Osmart Bonnie Black Pearl - 4 year old and I would say right at peak maturity, completely feminine through out and her exceptional balance makes her look possibly smaller tha she really is, lovely head and expression and she goes extremely we extremely good in quarters which she uses and moving around the r'n.

gave the impression of a real worker, well made throughout but rather down on pastern, which I feel on reflection told against her in the challenge, a stand out winner here. 2. Mrs. Burnett OSMART BLACK MIST 2.1.70. Br. Mr. and Mrs. Osborne Braelyn Broadholme Crofter - Bluebelle of Bothkennar - slightly bigger all round and completely feminine, I thought her slightly plainer in head and expression and not quite so flowing in her general line, apart from that she is close to the standard and she is in really firm muscular order, well put down, but just slightly less collected on the move, beautifully bodied with correct rib cage and firm in loin. 3. Miss Barker BEAGOLD ROBERTA 13.4.72. Br. Mrs. Collis Ch. Rowdina Rustler - Wishanger Bridge of Gairn - most attractive headed 2 year old, charming in expression and outlook, at half the age of the winners looked a shade unfinished and not quite as firm in front and has a slight tendency to elbow coming towards me, the rise in the ring tended to highlight any slight deficiency and I was pleased to see how many coped with this so well, bodywise she was a little light and I would say like the vast majority they take a long time but they certainly last, attracts in profile movement.

Open Bitch - 10 entries

1. Mr. and Mrs. Osborne CH. NIGELLA BLACK TANGO 28.3.69. Br. Mr. and Mrs. Meyrick Ch. Osmart Bonnie Blue Braid - Dog Rose of Tambora C.C. 5 year old and quite lovely and for me won the certificate easily, a bitch of beautiful conformation and balance plus most lovely type completely firm throughout and a rock steady temperament she moves beautifully skimming the ground with reach and drive and with great economy of movement, completely feminine throughout with a charming head and expression, when she stood with the dog for B.O.B. I was pleased to see how well they complemented one another, a good pair indeed and a great pleasure to judge. 2. Mr. Drake CH. ANDRAKE PERSEPHONE 9.3.72. Br. Exh. Davealex Royle Brigadier - Osmart Black Beth - another good champion and again well made, not quite the excellent shoulder of the winner with the consequent slight restriction of her front movement, but apart from this there was little in it, excellent topcoat of correct texture and well put down, lovely head and quizzical in expression, moving the winner tended to stride away from her, but then I dare say few can match Tango here, well deserved reserve best of sex, although the limit winner tempted me here for this award. 3. Miss Todd CH. SHELDAWYN SNOWFLAKE 22.12.70. Br. Exh. Westernisles Wishanger Rough Grass - Osmart Black Barbra Ann at Sheldawyn - completed a lovely trio of top flight bitches, her presentation was perfect and a lot of time must have been spent on her, in full coat, not quite as harsh as the above, feminine in head and general outlook, seemed a bit edgy today and not giving of her best moving, she was taking three steps behind to the winner's two and I felt that she was rather strung up and not relaxed at all.

1. Miss Moorhouse BLACK VELVET OF WILLOWMEAD b. 24.5.73. Br. Exh. Edenborough Soaring High- Breckdale Pretty Maid - well constructed bitch just growing her adult coat. Davealex Royle Brigadier - Pepperlands Osmart Bronze Pandora - good bodied dog who stood and moved well on good legs and feet, at the moment his coat is rather badly distributed with an abundance round the head, this spoils the overall picture although the head is of ideal pattern and not overdone. 3. 1. Mrs. Bailey CHARNCROFT CRUSADER 25.4.72. Br. Mrs. James Benedict Morning Mist - Charncroft Chit Chat - a slate grey in top form, his profuse straight weather resisting coat, enhancing his correct build, looked perfect in profile, showing a good length level back and clean lines from his flat skull and well rounded foreface, beard and brow obvious, moved well on ideal legs and feet, although needing more strength behind always looked as though he could do a day's work and enjoy it. Went on to take the C.C., Best of Breed, Best of Group, and finally Best in Show, well done. 2. Miss Holmes EDENBOROUGH GREY SHADOW 29.10.72. Br. Exh. Ch. Mrs. Burnett TAMBORAS PERCY BROWN 10.9.72. Br. Mrs. Tidmarsh Ch. Edenborough Blue Bracken - Ch. One of his many certificates bears my signature, however no dog is good enough to be shown without the necessary furnishings that this breed requires in particular when competing against the like of Crusader in top form, as things turned out it proves what strength the breed has at this time, three group winners and two best in shows at championship shows this year, marvellous. 3. Mr. Sangster EDENBOROUGH BANQUO'S SPECTRE 14.2.74. Br. Miss Holmes Rowdina Grey Fella - Black Maggie from Osmart - grey 6 months old baby of great promise, excelled in type and quality. Miss Samuels Davealex Royle Brigadier - Pepperlands Osmart Bronze Pandora - 10 months old well grown brown in good coat. I liked his head level back and deep brisket, disappointing in front movement, instead of striding forward he lifted his forelegs upwards, therefore making his progress covering the ground poor.

Mr. and Mrs. Osborne OSMART SILVER KRACKER 5.12.73. Br. Exh. Brown Herman from Osmart - Glenwhin Kirstin - 8 months old blue of great charm still carrying quite a bit of puppy fat, but soundly constructed in shoulder back and angulation, making her a true moving Beardie. Pleasing head and expression. Coat still a little wavy but this should clear with maturity. 3. Miss Evans BRAMBLEDALE BLUEBELL 3.12.73. Br. Exh. 1. Mr. and Mrs. Osborne MARILANZ BLACK PENNY 5.7.71. Br. Miss Durrant Ch. Osmart Bonnie Blue Braid - Broadholme Anne Marie - C.C. & B.O.B. I have placed well before, improved immensely even from then. Lovely outline, and retained it on the move. Perfect topline with super neck and well placed head. Body hugging good texture coat, sound fore and aft, combined glamour with working capabilities, lovely expression. 2. Miss Moorhouse WILLOWMEAD MARGUERITE OF TAMBORA 18.3.71. Br. Mrs. Tidmarsh Ch. Osmart Bonnie Blue Braid - Ch. Edelweiss of Tambora - sweet brown, good outline, movement excellent, true expression, right in between coats which gave her an unfinished look. 3. Miss Harcourt-Brown JOSANDA MINSTREL GIRL 25.6.72. Br. Mrs. Pendlebury Ch. Edenborough Blue Bracken - Osmart Black Panache - glamorous brown, super fore and aft.

Cala Sona Westernisles Loch Aber - I have always liked this bitch. Harsh texture good coloured brown coat, moved well and true, lovely head and expression. Fraction loaded on the shoulders and soft in muscle - I think this is the result of maternal duties. 3. Mrs. Pendlebury EDENBOROUGH KARA KARA OF JOSANDA 29.10.72. Br. Miss Holmes Ch. Edenborough Blue Bracken - Broadholme Christina and reserve Miss Shaws DINAH OF STANSHAW - four top quality bitches so hard to place as they could each change places at any time, all moved well and freely.

1. Miss Barker BEAGOLD ROBERTA 13.4.72. Br. Mrs. Collis Ch. Rowdina Rustler - Wishanger Bridge of Gairn - how I would have loved to have been able to give this bitch her qualifying C.C. Started off beautifully, moved with grace and true, lovely coat of good texture, dark eye and pigmentation won her this first, then in the challenge lost all interest, in fact, stood and moved with a definite roach. 2. Mr. Drake CH. ANDRAKE PERSEPHONE 9.3.72. Br. Exh. Davealex Royle Brigadier - Osmart Black Beth - Res. C.C. beautifully and expertly handled, glamorous smoothly moving bitch but I would much prefer a better textured body hugging coat. Lovely head and outline. 3. Mr. and Mrs. Meyrick NIGELLA NUTBROWN MAID 28.3.69. Br. Exh. Ch. Osmart Bonnie Blue Braid - Dog Rose of Tambora - sweet expression, nice outline, lovely colour but rather out of coat and I thought a trifle thin, perhaps not quite recovered from maternal duties.

1. Miss Carroll EDWARD BLACK FROM OSMART 9.3.72. Br. Mrs. Hale

L.K.A. cont'd.

Ch. Osmart Bonnie Blue Braid - Ch. Broadholme Bonnie Jean - 2 years slate, coming into his best now, excels in head and has a harsh coat, has a happy disposition and this tends to make him get his tail up at times, though carrying the Osmart prefix he was in fact bred by Bob Hinton, worthy reserve C.C. winner. 2. Mrs. Bailey CHARNCROFT CRUSADER 25.4.72. Br. Mrs. James Benedict Morning Mist - Charncroft Chit Chat - 2 years slate, well made dog, excellent mover, good coat, pleasant overall appearance. 3. Mr. Corderoys BLACK MAGIC OF WILLOWHEAD 24.5.73. Br. Miss Moorhouse Edenborough Soaring High - Breckdale Pretty Maid - 18 months slate, outstanding flashily marked, mature looking dog, nothing to dislike about him.

Open Dog - 8 entries

1. Miss Holmes CH. EDENBOROUGH BLUE BRACKEN 1.3.70. Br. Exh. Rowdina Grey Fella - Blue Maggie from Osmart - 4 years dog C.C. and B.O.B. what can I say about this dog that has not already been said? I could say he was perfect but to be critical I would like more animation, he hogs the centre of the ring when moving and never moves a muscle when stood. When I went round the benches later in the day he gave me a paw. If only he would do this in the ring or he would blink then he really would be perfect. Well deserved his win over 2. Mr. and Mrs. Bowen DAVEALEX ROYLE BRIGADIER 31.3.70. Br. Mr. Mrs. Stopforth Marilanz Amber Glean - Ch. Cala Sona Westernisles Loch Aber - another 4 year old this time a sandy, stood and showed well, sound mover, nicely put together but overshadowed by the winner. 3. CHARNCROFT CRUSADER.

Puppy Bitch - 7 entries

1. Miss Evans BRAMBLEDALE BLUEBELL 3.12.73. Br. Exh. Brambledale Boz - Brambledale Briar Rose - 10 months, what a lovely mover, she floated round the ring, not in full coat but everything to like about her. 2. Mrs. Collis BEAGOLD PENNYROYAL 20.10.73. Br. Exh. Davealex Royle Baron - Wishanger Bridge O'Gairn - 11 months dark slate, good coat texture, well put together, not the drive of the one above. 3. Mrs. Metcalf ORORA'S SUGAR PLUM 7.4.74. Br. Miss Harcourt-Brown Tambora's Percy Brown - Mignonette of Willowmead at Orora - the baby of the piece, sandy and white, promising as she already moves soundly, unfortunate to meet two puppies almost twice her age.

Novice Bitch - 15 entries

1. Miss Cuddy EDENBOROUGH SWEET LADY 2.10.73. Br. Miss Holmes Ch. Edenborough Blue Bracken - Broadholme Christina - slate caught my eye as she came into the ring, very promising youngster in good coat but needs more ring training. However, her young handler tried hard and did manage to get the best out of her. Looked nice standing and moved well. 2. Mr. Stickland SEA FERN 7.4.73. Br. Mr. and Mrs. Hinton Ch. Osmart Bonnie Blue Braid - Ch. Broadholme Bonnie Jean - 18 months slate and white, at first, I thought her jumpy but she soon settled down to show

off her good head and attractive outline, moved well.

3. Mr. and Mrs. Iremonger SOUTHERNISLE PERILLA 14.12.72.
Br. Mr. Wells Ch. Sunbrees Magic Moments of Willowmead -
Barbatus Auriel - dark sandy 2 years old, full of her own importance, when she quietens down she moves well, lovely outline but her good temperament makes her "show the flag" when moving.

Post Graduate Bitch - 10 entries

1. Miss Kimber DAVEALEX MYSTIC BLUE 23.1.72. Br. Mr. and Mrs. Stopforth Davenlex Blue Blazes - Rowdina Peach-a-Boo - sorry no notes on this one but she must have been good to win such a big class 2. Mrs. Hutchinson EDENBOROUGH MY REBECCA 2.10.73. Br. Miss Holmes Ch. Edenborough Blue Bracken - Broadholme Christina - 3. Miss Harcourt-Brown JOSANDA MINSTREL GIRL 25.6.72. Br. Mrs. Pendlebury Ch. Edenborough Blue Bracken - Osmart Black Panache - 2 years sandy, good overall type, moves well. I just preferred the outline of those above.

Limit Bitch - 16 entries

1. Miss Moorhouse BRECKDALE PRETTY MAID 26.12.69. Br. Mrs. College Braelyn Broadholme Crofter - Breckdale Cala Sona River Danube - 4 years old slate and so rightly named, she is the dam of my eventual Reserve C.C. winner, nice size and shape, sound both ends, very feminine. 2. DAVEALEX MYSTIC BLUE 3. Mrs. Young WICHNOR WILD CHERRY OF MILLTOP 15.5.71. Br. Mrs. Darley and Miss Dennis Ch. Osmart Bonnie Blue Braid - Wichnor Pandora - 3 years, slate and white, a size larger than those above but still within the standard, excellent feminine head, well handled and moved with lots of drive, some nice girls went careless in this class.

Open Bitch - 12 entries

The hottest class of the day and the strongest Open Bitch class I have seen in a long time 6 with 2 tickets and 1 with 1 ticket, the rest all famous bitches who names are a household word, the eventual winner being Mrs. James CHARNCROFT CASSANDRA 16.1.71. Br. Exh. Wishanger Whimsical of Willowmead - Charncroft Chit Chat - 3 years old, dark slate, showed beautifully in full coat, ideal size, lovely mover and never put a paw wrong, a credit to her owner/breeder, it gave me great pleasure to place her top of this line and to award her what I later learned was her 3rd and qualifying C.C. 2. Miss Moorhouse BLACK VELVET OF WILLOWMEAD 24.5.73. Br. Exh. Edenborough Soaring High - Breckdale Pretty Maid - much the same remarks apply, a real eye catcher, when she finishes growing her coat will be something to reckon with, at just 18 months she just would not match the winner on maturity, my Reserve C.C. winner. 3. Mrs. Teasdale TONSARNE TATTLER 13.5.69. Br. Exh. Braelyn Broadholme Crofter - Western- isles Sunset - 5 years old, slate and white, one of my favourite bitches, close up to those above.
